North Texas Goodman Price Catalog

Highlights and Usage Tips

[Table of Contents](#) | [Systems](#) | [Equipment](#) | [Resources](#)

Highlights and Usage Tips

- On a computing device, links are included to help you get the most from the Catalog.
 - Internal links allow you to jump to a location within the Catalog. **All items in the table of contents are touchable/clickable**, and links to major sections in the catalog are listed at the top of each page.
 - External links allow you to access to information hosted on the internet, allowing you to drill-down for more information on equipment and accessory models, technical resources, and more.
- On a computing device, the Catalog is best viewed using a dedicated PDF reader app. **We recommend the free Adobe Reader app for all devices.** The PDF is also formatted for printing if needed.
- External links allow you to access to information hosted on the internet, allowing you to drill-down for more information on equipment and accessory models, technical resources, and more.

Additional Notes & Disclaimers

Due to the rapidly changing nature of product designs, efficiency ratings and system combinations, please utilize the official AHRI website (www.ahridirectory.org) to verify all efficiency ratings, AHRI certification numbers, and current equipment/system combinations. Your Catalog is an Interactive PDF, and it is designed for best usage on a tablet (iPad or Android) or laptop computer.

Systems highlighted in blue meet or exceed the performance requirements of the Consortium for Energy Efficiency (CEE) highest efficiency tier, not including any advanced tier, of the CEE specification noted as effective in the CEE Tier Tooltips in AHRI. Potential Eligibility for Tax Credit value, as displayed in the AHRI Directory, is based on these Consortium for Energy Efficiency (CEE) requirements. NOTE: The displayed Potential Eligibility for Tax Credit value may change in AHRI when changes are made to the AHRI Certified Ratings and/or the effective CEE specification.

Please contact your Territory Manager or your Inside Sales Specialist for more information.

Pricebook Plus™ for Dealers

[Table of Contents](#) | [Systems](#) | [Equipment](#) | [Resources](#)

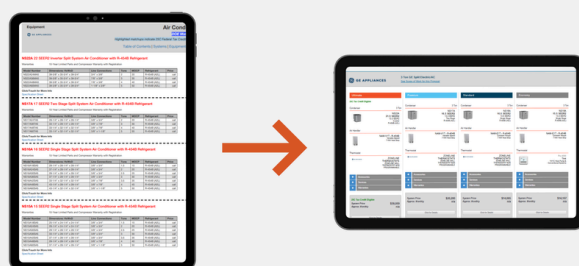

Still Building HVAC Proposals the Hard Way?

Spreadsheets? Manual pricing? Lost margin? Inconsistent presentations?

There's a faster, more professional way to sell HVAC systems - and it's already powered by the same data behind this catalog.

Your Catalog data flows directly into PricebookPlus.

No manual entries. No discrepancies.

PricebookPlus is a mobile, web-enabled sales platform built specifically for residential HVAC dealers. It transforms your pricing, equipment data, and system options into professional, homeowner-ready sales presentations - in minutes, not hours.

The Easiest Way to Turn This Catalog into Sales Proposals

✓ Generate Custom Sales Presentations

Create polished, professional proposals using your pre-configured systems, accessories, and pricing.

✓ Sell smarter with Guided Options

Use Best / Better / Good to help homeowners understand value - without pressure.

✓ Built-in Pricing Control

Owner-approved pricing and logic ensure consistency, margin protection, and profitability.

✓ Win at the Kitchen Table or Digitally

Present in-person, email proposals, or follow up digitally with the same professional experience.

From Catalog → Proposal → Closed Sale

Ready to Start Selling More?

See how PricebookPlus can work for your business and your bottom line.
